

# AHEF Spring Virtual Networking

February 23, 2021

11:30 a.m. - 12:00 noon

**30 Minutes of Networking for ACHE Credit**

ACHE requires each state to hold networking events throughout the year. Due to COVID-19, we were unable to hold networking events in 2020. If you are a Fellow or wanting to become one, you are also required to have “networking” hours...

To assist members with this need, AHEF will hold its first 30-minute Virtual Networking session at the end of February. There is NO COST to you, but you do need to register and let us know what topic might be of interest to you.

**Please complete the registration form below and we will see you on February 23rd!**
