QUARTERLY NEWSLETTER

ACHE REGENT AWARDS

Each year, ACHE Regents have the opportunity to provide awards for outstanding healthcare executive leadership in their jurisdiction. The Regent's Awards recognize exemplary leadership of both Early Career and Senior Level healthcare executives. The criteria for both levels can be found in this link: 2026 Regents Award Program.

On behalf of the ACHE, I sincerely hope that you will take time to consider nominating deserving individuals for one or both of these important Regent's Awards. As indicated on the nomination form, nominations must be received at AHA headquarters by Saturday, August 1, 2026, to allow adequate time for the selection process to occur. Award winners will be announced at the AHA Annual Meeting Awards Luncheon on October 15, 2026.

JOB CENTER

If you need to post a job or are looking for a new opportunity, ACHE's Job Center can be found here.

The job center allows members to search for open positions based on location, titles, keywords, and more. If your facility has an opening that you would like to fill, employers and recruiters are able to post jobs to the site. You do not have to be a member to post an open position; however, you must sign up as a new user.

TERMINOLOGY FOR ACHE CONTINUING EDUCATION

As of January 2024, **ACHE Face-to-Face Education is now called ACHE In-Person Education** under the revised credentialing policy. The terminology "Face-to-Face Hours" is no longer used.

Also, **ACHE Qualified Education is now ACHE Qualifying Education Hours**. You will notice this terminology being used on ACHE, ACHE of Arkansas, and Arkansas Hospital Association education programs for education that are not providing ACHE In-Person Education hours.
